Mathematics Teacher

Description

Nasser Centre for Science & Technology is seeking a qualified and motivated Mathematics Teacher to deliver engaging and effective mathematics lessons. The successful candidate will support students in developing strong mathematical knowledge, problem-solving abilities, and analytical thinking skills.

Responsibilities

- Plan and deliver mathematics lessons in accordance with the approved curriculum.
- Prepare lesson plans, learning materials, assignments, and assessments.
- Explain mathematical concepts clearly using appropriate teaching methods.
- Monitor and evaluate students' academic progress.
- Provide additional support to students when required.
- Maintain accurate records of attendance, grades, and student performance.
- Create a positive, inclusive, and engaging learning environment.
- Participate in departmental meetings, centre activities, and professional development programmes.

Qualifications

- Bachelor's degree in Mathematics, Mathematics Education, or a related field.
- Recognised teaching qualification is preferred.
- Relevant teaching experience at the secondary-school level.
- Strong knowledge of mathematics concepts and teaching methodologies.
- Excellent communication and classroom-management skills.
- Proficiency in English.
- Ability to use educational technology and digital learning tools.
